Saint Paul, MN 55102

Purpose of Request

Funding would support the planning, design and construction of a trail to connect St. Paul's existing multi-modal transportation infrastructure to the Bruce Vento Nature Sanctuary, Lower Landing Park, and Samuel H. Morgan Regional Trail. This trail link would accommodate both bicycle and pedestrian modes. The State of Minnesota and the City of St. Paul have committed \$1.4 million to this project.

Amount Requested

\$2,000,000
